| Что выводит (кратко)    | title: config.ru is for sale. config.ru is for sale en ru en config.ru This domain is for sale The domain is actually the site name and its correct choice influences greatly on the your endeavors success. Often, cost of the domain change during the project running is comparable with the re-branding, so the be |
| Где припаркован         | похоже на парковку (domain is for sale)                                                                                                                                                                                                                                                                                |

Строка config.ru попала в список не как адрес сайта, а как имя языкового набора файлов внутри пакета — русский split в splits0.xml, рядом такие же записи config.en, config.de и другие. Приложение на этот домен ничего не загружает и никуда по нему не переходит: разрешения на интернет нет, в коде нет запросов в сеть. По проверке VirusTotal домен чистый (0 из 91), открывается страница продажи домена. На вид это ложное срабатывание поиска по строкам, а не рабочий сайт внутри приложения.
